The City is committed to a barrier-free Recruitment process that promotes equity, diversity and inclusion, objectivity and consistency.

This Policy is supported by accompanying Standard Operating Procedures (SOPs) and should be read in conjunction with our Employee Code of Conduct - which is reflective of our values, the principles and standards of behaviour that govern our actions. - 5.1.2 As part of the application process, applicants will be invited to complete a brief self-identification survey. This survey is voluntary. Participation in the survey will have no impact on hiring decisions. The results of the survey are to inform institutional planning which will support our efforts to promote equity, diversity, and inclusion. The information collected may be used for the development of a special program under the Ontario Human Rights Code.
